

Vegetariano

Listen to nature vibrating, so simple and perfect.
It follows the course of the seasons, the rhythms of the earth.
The essence is colour and taste, in the intertwining
of vegetable storylines and flavours.
An open door to a vegetable garden, with the scent of the ancient
and genuine. When you sit down, you feel like being elsewhere.

The wonders of the garden
Hot and cold vegetables soup

Chef's dish

Pasta button with compressed aubergine

Umami of leafy vegetable in four consistencies
L

Apricot and vanilla
C-A-G
